Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

1999 Mathcounts Sprint Round Problems

1999 Mathcounts National Sprint Round Solutions 107 4. Solution: 56. Let g be the number of girls and b be the number of boys. According to the problem, after one-fifth of the girls left, the ratio of the girls to boys was 2:5, or $\frac{3}{5} \frac{2}{4} \frac{b}{g}$ (1) $\frac{g}{b} = \frac{3}{2} \frac{5}{4}$ (2) After 44 boys leave, the ratio of boys to girls was 2:5, or $\frac{2}{5} \frac{44}{5} \frac{4}{4}$

Past Competitions | MATHCOUNTS

Make sure the problems are original. The AoPS community does not want to waste time seeing a collection of boring, cliché problems that in principle are identical to an existing problem from a past MATHCOUNTS, with a few numbers modified. Add variety. Nobody wants to see a sprint round with 15 counting problems or 20 algebra problems.
