"A Shameful Affair" is an earlier Chopin story, is set in Missouri rather than in Louisiana, and does not involve Creole or Acadian society. But in some ways it's similar to Chopin's two more famous works in its focus on a man and woman attracted to each other but restrained by the sexual norms of the times.

1893. Publishes more stories in Youth's Companion and Harper's Young People.

### **Biography of Kate Chopin**

This is a very typical line from women who are living with the guilt of an affair. If you are a woman who has cheated on her husband or boyfriend and you are now dealing with the destructive aftermath and feeling extremely guilty, I empathize. I, like you, have been where you are and it's a difficult place to escape -- if you don't know how.
