It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

An American Sickness How Healthcare

An American Sickness is a gripping, fast paced and revolting dive from 50,000 feet above into the morass of what passes for healthcare in the USA. Patients are barely tolerated in a system optimized to pass money from bank accounts to providers. The industry is mean, nasty and greedy, with worse results than comparable nations - for far more cost.
