China Opposes Abuse of Anti-dumping: Trade Minister China is one of the major victims of anti-dumping in the world and it will use relevant WTO rules to protect its own interests, Shi Guangsheng, China's foreign trade minister, said here Tuesday.

China Opposes Abuse of Anti-dumping: Trade Minister

Dumping, in economics, is a kind of injuring pricing, especially in the context of international trade. It occurs when manufacturers export a product to another country at a price below the normal price with an injuring effect. The objective of dumping is to increase market share in a foreign market by driving out competition and thereby create a monopoly situation where the exporter will be ...

member of the WTO or EU, it must prove that dumping existed before slapping on the duties.

Trade Dumping: Definition, Pros, Cons, Anti-dumping

Anti-dumping investigations are to end immediately in cases where the authorities determine that the margin of dumping is insignificantly small (defined as less than 2% of the export price of the product). Other conditions are also set. For example, the investigations also have to end if the volume of dumped imports is negligible (i.e. if the ...

Abstract. The Anti-Dumping (AD) mechanism is susceptible to potential misuse for protectionist purposes, and the current explosion of AD disputes indicate a massive problem in the way international trade rules are implemented. The current World Trade Organisation (WTO) negotiations have identified areas within the Anti-Dumping Agreement (ADA) for possible reform; accordingly, the present analysis discusses these areas of concern relating to the AD provision.

Normative Obsolescence of the WTO Anti-Dumping Agreement ...

Anti-dumping measures – taken by a government or an international organization – are aimed at counteract the dumping practices that occur when a good or service is sold on foreign markets at a lower price, in some cases, even at its production cost. Therefore, dumping is a practice of unfair competition and international price discrimination.

Anti-Dumping | SpringerLink

If a company exports a product at a price lower than the price it normally charges on its own home market, it is said to be “dumping” the product. The WTO Agreement does not regulate the actions of companies engaged in “dumping”. Its focus is on how governments can or cannot react to dumping — it disciplines anti-dumping actions, and it is often called the “Anti-dumping Agreement”.
