In 1963 Timoshenko wrote a book As I Remember in the Russian language. It was translated into English in 1968 by sponsorship of the Stanford University. Jacob Pieter den Hartog (1901-1989), who was Timoshenko's co-worker in early 1920s at Westinghouse, wrote a review in the magazine Science stating that "... Between 1922 and 1962 he [S.P. Timoshenko] wrote a dozen books on all aspects of engineering mechanics, which are in their third or fourth U.S. edition and which have been translated ...

### **Stephen Timoshenko - Wikipedia**

As I Remember Excerpts from the autobiography of S P Timoshenko Early Childhood I still retain some disconnected memories of my earliest childhood, when I was probably no more than three. From the age of five onward I recall my life quite well. In our time the house was already very old, dating probably from the end of the eighteenth century.
