I have "moved" this entire trilogy, and Battle of the Beetles is a perfect conclusion to Darkus's story. Everything about these books, from the diverse cast to the perfect baddies to the message of ecological conservation and the importance of valuing all life on Earth (particularly the smallest among us) is right up my alley.

The characters are far less appealing in "The Battle of the Beetles" than in prior novels. I missed Humphrey and Pickering, the two buffoons who lightened the previous novels through their vaudevillian interaction. Their dialog in "The Battle of the Beetles" leaned on "potty humor" and added little to the story.
