Bringing The Empire Back Home

In Bringing the Empire Back Home, the inventive cultural historian Herman Lebovics provides a riveting account of how intense disputes about what it means to be French have played out over the past half-century, redefining Paris, the regions, and the former colonies in relation to one another and the world at large. In a narrative populated with peasants, people from the former colonies, museum curators, former colonial administrators, left Christians, archaeologists, anthropologists, soccer ...

101+ Read Book Bringing The Empire Back Home France In The ...

Culture and politics have long been the scholarly engagements of Herman Lebovics, marked by a trio of tightly organized, thematically expansive works on French history: True France (Cornell, 1993), Mona Lisa's Escort (Cornell, 1999), and now Bringing the Empire Back Home. The "back home" of the latest title suggests an author's special focus on the implications of empire and decolonization in France proper, though in many ways Lebovics' work has always been about this ...
