Bystander- 2017 Edition — Joel Meyerowitz

Street photography, also sometimes called candid photography, is photography conducted for art or enquiry that features unmediated chance encounters and random incidents within public places. Although there is a difference between street and candid photography, it is usually subtle with most street photography being candid in nature and some candid photography being classifiable as street ...

Street photography - Wikipedia

Bystander does not stand on the sidelines. Instead, author Colin Westerbeck dives deep into sometimes shallow waters as he seeks to represent a street photography that is many things, but most decidedly pure of any "taint" of postmodernism.

Amazon.com: Customer reviews: Bystander: A History of ...

Richard Rivera Bystander: A History of Street Photography is a book that defies easy description. It is a wide-ranging compilation of images that exemplifies the saying by photographer Elliott Erwitt, that photography "is an art of observation. It has little to do with the things you see and everything to do with the way you see them."
