### C — Because cowards get cancer too... - The Lancet Oncology

Subtitled "because cowards get cancer too", the book makes no attempt to portray Diamond as some brave, heroic figure and describes his twisted pleasure as he uses his illness as a weapon at dinner parties, his frequent outbursts of impotent rage and the often appalling way he treats his wife during his convalescence.

### John Diamond: C: Because Cowards Get Cancer Too

"Tell anyone that you have cancer and what they'll hear is that you're about to die. Why would they not? It's what you heard when you got the diagnosis, after all." These words are now over 10 years old, but John Diamond's account of medicine's most feared illness remains as fresh, insightful, and poignant as when it was first published. A British journalist and broadcaster, he ...
