Cambridge IGCSE Global Perspectives course. In Section A we look at how the Individual Research fits into the Global Perspectives course, its structure and how you, as teachers and facilitators, might approach developing the skills your students need to complete their Individual Research successfully and thereby achieve the learning outcomes. We also

**Individual Research Guide - Global Perspective**

A global perspective is a view on an issue that either has global influence or takes into account the nature of the issue globally. For example, the UN's view on climate change is by definition a global perspective on climate change because it is an international organisation with a global influence.
