Capital Without Borders Wealth Managers

Capital without Borders reveals how wealth managers use offshore banks, shell corporations, and trusts to shield billions in private wealth not only from taxation but from all manner of legal obligations. And it shows how practitioners justify their work, despite evidence that it erodes government authority and contributes to global inequality.

Capital without Borders: Wealth Managers and the One ...

Capital without Borders tackles this tantalizing question through a groundbreaking multi-year investigation of the men and women who specialize in protecting the fortunes of the world's richest people. Brooke Harrington followed the money to the eighteen most popular tax havens in the world, interviewing wealth managers to understand how they help their high-net-worth clients dodge taxes, creditors, and disgruntled heirs—all while staying just within the letter of the law.

Capital without Borders: Wealth Managers and the One ...

Capital without Borders: Wealth Managers and the One Percent is an innovative approach to addressing a problem that is even more pressing than income inequality—wealth inequality...The book is rich in fascinating detail, from the historical roots of wealth management to a description of a state system that might be called the 'parasitic twin' of the Westphalian model.

Capital Without Borders | Wealth Management

Capital Without Borders: Wealth Managers and the One Percent by Brooke Harrington takes a very interesting and scholarly look at the ways in which wealth managers influence the world through their advice to the very wealthy in society.

Capital Without Borders: Wealth Managers and the One Percent

Capital Without Borders is an ethnographic study—Harrington intentionally chose to not follow the paper trail because she considered documents to be misleading. She defines wealth management as the business of “deploying legal and financial expertise to defend the fortunes of high-net-worth individuals and families.”

Capital without Borders: Wealth Managers and the One Percent

Capital without Borders will offer the first in-depth, cross-national examination of the wealth management profession: an extremely powerful professional group about which little is known, except that it controls large flows of capital around the world and has a significant impact on growing wealth inequality.
