The Outlook™ High Definition Dash Cam records full 1080P HD video with a 155° wide angle lens to capture the big picture in the event of an accident, theft or vandalism. A built-in G-sensor starts recording instantly on impact. The internal microphone can capture sound if desired.

### 1080P High Definition Dash Cam - Harbor Freight Tools

Dash cams are small, on-board video cameras installed in cars that record your journey, capturing the video and audio of everything that goes on in and around your vehicle. Some models can even record bumps and scrapes while you're parked. Although they're called dash cams, you shouldn't actually fix the camera to the dashboard.
