Dont Make Me Think Revisited

Verified Purchase. Steve Krug's Don't Make Me Think is one

of my favorite books on website usability. Krug is an esteemed expert and author with a sometimes wicked sense of humor. He also has a down-to-earth, no-nonsense approach to explaining the principles of usability as applied to websites.

Think is a book about web usability. Usability is basically how easy it is too efficiently use a website. It tests how to make a website easier for the average visitor. This book gives you insights into how to make a website easy to use.

Don't Make Me Think, Revisited: A Common Sense Approach to ...

Don't Make Me Think,

Revisited is the interface designing, mobile designing, web design and designing book that covers all the knowledge which you needed to expert web designing. Steve Krug is the author of this magnificent book. This is the updated and edition of the book that covers the new chapters and updated content for the readers.

Don't Make Me Think, Revisited by Steve Krug PDF Download ...

Law #1: Don't make me think This is the overarching rule. Each time a user has to pause (even for a split-second) to think about something, it distracts him from the action you want him to take. The goal is to make your website effortless to use, i.e. make it self-explanatory, if not self-
