Artificial Intelligence. We offer a suite of machine learning solutions that maps customers through phases and events in their lives to deliver business value.

### Artificial Intelligence - eCubed

From the very beginning of 'E-Cubed', literally the first page of the first chapter, the reader gets the distinct impression that this book will be a lot of fun to read and it will certainly turn our "static" views of the world, indeed the very way we see the world, on its head (no, I won't say specifically what the author, Pam Grout, does - that would spoil the fun).
