The Egyptian Civil Code is the primary source of civil law for Egypt. The first version of Egyptian Civil Code was written in 1949 containing 1149 articles. The prime author of the 1949 code was the jurist Abd El-Razzak El-Sanhuri, who received assistance from Dean Edouard Lambert of the University of Lille.

Acces PDF Egyptian Code Of Practice For Steel Construction And Bridges

Perhaps due to Lambert's influence, the 1949 code followed the French civil law model. The code focuses on the regulation of business and commerce, and does not include any provisions regard
