This Service Manual is the best technical information and instruction for your equipment. Written in the language of a mechanic, it was initially given to the dealer's service department to provide enough detail for major repairs and complete overhauls. It discusses how to correctly tear down, do repairs, and reassemble your equipment.

In October 1895, a workshop was opened on the outskirts of New Holland, USA, in Pennsylvania, which eventually became one of the largest corporations in the agricultural and construction equipment market.. But after a few years, his business went uphill: in 1901 he created a steam engine resistant to frost, in 1910 - a stone crusher.
