The Ultimate First-Aid Manual: What to Pack - Backpacker

The problem with most commercial first aid kits is that they try to package “first aid” as a separate entity so they can sell it and not as an element in a larger gear system. Sure, boo-boos happen, and it’s nice to have enough ingredients to stabilize a patient until you can receive proper medical attention.

Roll Your Own Backpacking First Aid Kit - Section Hikers ...

First Aid - First Aid Kit (page 1 of 11) Let's define first aid. Urgent medical care provided to someone who is in need of immediate assistance due to illness or injury, before qualified professional help arrives on the scene. You may be assisting people with injuries that vary in severity.
