guitar player you must develop mastery over the fretboard. The following shows this level of mastery:

Knowing where all the notes on the fretboard lay in any guitar tunings you use. Know the following:  
pentatonic scales,  
diatonic scales,  
harmonic minor scales,  
melodic minor scales,  
and all their modes.

But by achieving absolute fretboard mastery, you will be able to connect these positions together, and ultimately view and connect the entire fretboard as one cohesive whole. So let's get started. In today's lesson, I'd like to start off by introducing you to the five minor and major pentatonic shapes and help you master these positions.
