The guitar is a fretted musical instrument that usually has six strings. It is typically played with both hands by strumming or plucking the strings with either a guitar pick or the fingers/fingernails of one hand, while simultaneously fretting (pressing the strings against the frets) with the fingers of the other hand. The sound of the vibrating strings is projected either acoustically, by ...

There have been instruments like the guitar for at least 5,000 years. The guitar may have come from older instruments known as the sitara from ancient India and central Asia.The oldest known picture of a guitar-like instrument is a 3300 year old stone carving of a Hittite bard. The oldest guitar-like instrument that is still complete is the "Warwick Gittern" in the British Museum.

Hold the guitar correctly. Before you start wailing like Hendrix, make sure you're holding your guitar correctly. If you're right handed, you'll play the guitar by strumming about halfway between the sound hole and the bridge with your right hand and fretting the strings on the neck with your left hand. To play your guitar, sit up in a straight-backed chair or stool. When you orient the guitar ...
