Has God Spoken?: Proof of the Bible's Divine Inspiration

God has never left any physical evidence of his existence on earth. None of Jesus' "miracles" left any physical evidence either. (see this page) God has never spoken to modern man, for example by taking over all the television stations and broadcasting a rational message to everyone.

Proof #11 - Notice that there is no scientific evidence

The details of the mathematics involved in Gödel's ontological proof are complicated, but in essence the Austrian was arguing that, by definition, God is that for which no greater can be conceived. And while God exists in the understanding of the concept, we could conceive of him as greater if he existed in reality. Therefore, he must exist.

Has God Spoken? : Proof of the Bible's Divine Inspiration ...

In the end, Has God Spoken? is a disappointing but illuminating example of how attempting to defend the Bible's inspiration without holding it as your ultimate authority over extraBiblical sources is arbitrary and ultimately self-defeating. Hanegraaff's "two books" approach is iron mixed with baked clay, partly strong and partly brittle.
