Haunted Tales Of The Grotesque

The central haunting of this collection of 16 tales is not anything so concrete as a building haunted by a ghost, but rather the interior haunting of a human being by their ever-shifting sense of self. As Joyce Carol Oates puts it (in a fascinating afterword on the nature and history of the grotesque), "The subjectivity that is the essence of the human is also the mystery that divides us irrevocably from others . . . all others are, in the deepest sense, strangers ."
