Amazon.com: Customer reviews: Inorganic Chemistry ...

more helpfull for study abt inorganic chemistry.. The product description neglects to state that the paperback is not the US edition. The one I received was "substantially re-organized and re-written for the India Subcontinent," which basically means that the chapters are not in the same order as the US version, and a lot of the sections are missing altogether.

Where can I get inorganic chemistry by Huheey PDF file for ...

Far from the usual descriptive inorganic chemistry found in other books, Huheey's work is a complete and thorough guide to undergraduate students; it explains important subjects which are left out in other works. The chapters about bonding are specially well written and have good information that can be well understood by chemistry students.
