Louisiana," 8 Feb. 2020 Florida is already facing a scourge of unique environmental pests, between the Burmese pythons swallowing up the Everglades and the Kudzu vines draping many swamplands.

Swampland | Definition of Swampland by Merriam-Webster

Swampland in Florida is a figure of speech referring to real estate scams in which a seller misrepresents unusable swampland as developable property. These types of unseen property scams became widely known in the United States in the 20th century, and the phrase is often used metaphorically for any scam that misrepresents what is being sold.
