### Knowledge Transfer in Higher Education | SpringerLink

Questionnaire surveys and interviews were conducted to examine the effectiveness of a knowledge transfer (KT) project and these were administered by HEIs in Hong Kong. Pre- and post-test questionnaire surveys with t -tests were used to evaluate changes in the knowledge absorptive capacity of 1,014 participants from 20 schools. Qualitative interviews were conducted to investigate school leaders' perception of the effectiveness of the KT strategies.

### Knowledge transfer strategies and practices for higher ...

Higher education needs to rethink knowledge transfer The pause in normal activity gives us chance to argue for a new conceptualisation of knowledge exchange. For Marie and Viren Lall, the answer lies in the skills of entrepreneurship.

### Higher education needs to rethink knowledge transfer | Wonkhe

Abstract. Purpose - This study aims to identify effective strategies and practices for higher education institutions (HEIs) to enhance their knowledge recipients' knowledge absorptive capacity. Design/methodology/approach - Questionnaire surveys and interviews were conducted to examine the effectiveness of a knowledge transfer (KT) project and these were administered by HEIs in Hong Kong.

### Knowledge transfer strategies and practices for higher ...

Study results indicated that non-formalized strategies for knowledge transfer occur in higher education, existing knowledge transfer activities have shortcomings, and the institutional culture of mentoring and trust promotes knowledge transfer.

### Succession Planning and Knowledge Transfer in Higher Education

Transferring new knowledge created through research into teaching is a primary task in any higher education institution. Recently in UK, this area has gained a wider attention with the growing emphasis on student learning approaches, quality assurance procedures and research funding mechanisms.

### (PDF) Knowledge transfer in higher education: The case of ...

Knowledge transfer (KT) is a term used to encompass a very broad range of activities to support mutually beneficial collaborations between universities, businesses and the public sector. KT is a 'contact sport'; it works best when people meet to exchange ideas, sometimes serendipitously, and spot new opportunities.

### What is knowledge transfer? | University of Cambridge

The aim of the Knowledge Exchange Framework (KEF) is to increase efficiency and effectiveness in the use of public funding for knowledge exchange (KE) and to further a culture of continuous improvement in universities. It will allow universities to better understand and improve their own performance, as well as provide businesses and other users with more information to help them access the world-class knowledge and expertise embedded in English HEPs.

### Knowledge exchange framework - Research England

Knowledge transfer is not the same as "training". Neither is it simply the circulation of information (facts and data). While it does include these things, knowledge transfer has more to do with identifying and harnessing your team members' adaptable skills and abilities to apply information.

### Knowledge Transfer: What it is & How to Use it Effectively

KNOWLEDGE PRESERVATION AND KNOWLEDGE TRANSFER IN HIGHER EDUCATION At the University of Applied Sciences (UAS) Technikum Wien, several course programs offer a widespread – especially technically oriented – portfolio from the fields of electronics and computer science to sports technologies or intelligent transport systems.

### KNOWLEDGE PRESERVATION AND KNOWLEDGE TRANSFER IN HIGHER ...

Knowledge transfer (KT) has been identified as an essential element of innovation, driving competitive advantage in increasingly knowledge-driven economies, and as a result recent UK Government reports have sought to increase awareness of the importance of KT within higher education institutions (HEIs).There is therefore a need for relevant empirical research that examines, from multiple perspectives, how KT policy is translated into practice within HEI contexts.This article responds to this ...

### Multiple Perspectives on the Challenges for Knowledge ...

The knowledge transfer process in education aims to increase the use of research results by potential users (Havelock 1973; Huberman 1983) in order to improve practices, to implement new programs, and to resolve specific problems.
