You can avoid going over budget by keeping an ongoing list of your spending in whatever category you find budget-busting. That way, you can check in at any time to see where you're at. You're not saying "no" to yourself. If you are constantly spending more than you have budgeted, it might be time to take a serious look at your choices.

### Your budget isn't working. Here's why.

Think of your budget as a flight plan for your company. A properly completed budget will go a long way towards ensuring a smooth landing. But if it's plagued by errors, miscalculations or a lack of foresight, that budget could result in your organization going off-course or worse, crashing and burning.
