To be sure, the Arabic, English, French, and Portuguese literary traditions along with Christianity and Islam and other effects of colonialism in Africa also had a dynamic impact on African literature, but African writers adapted those alien traditions and made them their own by placing them into these African classical frames. History and myth. As is the case with the oral tradition, written literature is a combination of the real and the fantastic. It combines, on the one hand, the real ...

Some of the first African writings to gain attention in the West were the poignant slave narratives, such as *The Interesting Narrative of the Life and Adventures of Olaudah Equiano* or *Gustavus Vassa, the African* (1789), which described vividly the horrors of slavery and the slave trade. As Africans became literate in their own languages, they often reacted against colonial repression in their writings.
