Oncology Nursing Care

August 12, 2020—Exemplary oncology nurses stand behind all of cancer's treatments, supporting patients through side effects, shouldering their burdens and concerns, and advocating for quality care. Each year with its series of awards, the Oncology Nursing Society (ONS) recognizes just a few of the outstanding oncology professionals who have dedicated their lives to patient care.

Oncology Nursing Society | ONS | ons.org

Oncology Nursing: Scope and Standards of Practice delivers clear expectations for nurses at any level who care for people with cancer and can be used to develop position descriptions, performance appraisals and institutional policies and procedures, continuing education needs, topics for quality improvement processes, and research to validate oncology nursing practice outcomes.
