Party of One is that book for me! This world is full of loners...people who aren't shy, who aren't lonely, who just like to be by themselves...and never before has anyone even thought of them as a personality type worth discussing, much less defending! The sub-title says it all, this really is a manifesto for the loners of the world.

Anneli Rufus's Party of One is really more of a survey than a manifesto. Many different famous and not so famous loners, both in the singular and the archetypal, are presented and briefly characterized. Since I was expecting the work to be more philosophical than journalistic, I did not particularly enjoy reading this.
