Progressive Community Organizing Reflective Practice

Progressive Community Organizing is ideal for both undergraduate and graduate courses focused on community theory and practice, community organizing, community development, and social change and service learning. The second edition presents new case studies, including those of a welfare rights organization and a youth-led LGBTQ organization.

Amazon.com: Progressive Community Organizing ...

Book Description. The second edition of Progressive Community Organizing offers a concise intellectual history of community organizing and social movements while also providing practical tools geared toward practitioner skill building. Drawing from social-constructionist, feminist and critical traditions, Progressive Community Organizing affirms the practice of issue framing and offers two innovative frameworks that will change the way students of organizing think about their work.
