Psychology without Foundations: History, Philosophy and ...

This new book proposes a way out of the crisis by letting go of the idea that psychology needs 'new' foundations or a new identity, whether biological, discursive, or cognitive. The psychological is not narrowly confined to any one aspect of human experience; it is quite literally 'everywhere'.

Psychology Without Foundations: History, Philosophy and ...

Psychology without foundations offers a range of philosophical and theoretical resources that contribute to a vision of psychology as a transdiscipline. The guiding theme is that we need to rethink our relationship to foundations and to affirm the
