Specification Writing: For Architects and Surveyors [Willis, C. J., Willis, Andrew] on Amazon.com. *FREE* shipping on qualifying offers. Specification Writing: For Architects and Surveyors

Specification Writing: For Architects and Surveyors ...

There seems to be a common misconception among younger, emerging Architects and designers that the Specifications are somehow less important than drawings. I think this probably has to do with two key factors: (1) Most schools don't teach their architecture students how to write specifications and (2) Specifications are complicated and not as 'fun' for most creatives.
