The streetwear concept is rooted in Californian surf and skate culture, where it originated. Since then, the streetwear aesthetic has been adopted by the hip hop subculture, and has a youthful and urban feel. Traditional streetwear is loose and baggy, incorporating elements such as oversized hooded tops and graphic tees.

The Complete Men's Guide | How to Look Stylish in StreetWear

Streetwear is a form of fashion most described by the subcultures that helped form it, and the culture it forms. There is no real origin of streetwear, it simply became as multiple subcultures clashed and merged to create a more universal culture and style that many people from various walks of life can currently enjoy.
