Naturalization is a process that allows foreign-born persons to obtain citizenship in the United States. Once granted American citizenship, foreign-born persons are granted the right to vote, the right to government jobs, the right to apply for resident status for VI family members and the freedom to travel with an American passport which provides entry without a visa into many countries.

Citizenship is the status of a person recognized under the custom or law of a sovereign state as a member of or belonging to the state. Each state is free to determine the conditions under which it will recognize persons as its citizens, and the conditions under which that status will be withdrawn.

## **Citizenship - Wikipedia**

The revised section conforms with the views of Philip F. Herrick, United States Attorney, Puerto Rico, who observed that the act of April 20, 1940, permitted action between a citizen of Hawaii and of Puerto Rico, but not between a citizen of New York and Puerto Rico, in the district court.

...

The U.S. is one of these — by law, all U.S. citizens must enter the country with an American passport no matter how long he or she plans to stay in the country. Even if this isn't required for your second nationality, you'll want to enter your second country with its passport if you plan to overstay the limit of a traditional tourist visa.

The National Register of Citizens is a registry of all legal citizens, whose construction and maintenance was mandated by the 2003 amendment of the Citizenship Act. As of January 2020, it has only been implemented for the state of Assam, but the BJP has promised its implementation for the whole of India in its 2019 election manifesto. [118]
