Social Security Program Rules

It's a common view among lawyers and academics that laws and policies struggle to keep up with the pace of technology. As children use smartphones at an increasingly younger age, school administrators find themselves struggling to create policies that balance the positives and negatives of student use of social media and the Internet. Social media can help students communicate in beneficial ...

Social Media and Students: The Basics - FindLaw

This question asks whether law, on the one hand, is assigned the purpose of achieving social control over the behavior of human beings; or whether, on the other hand, its function is to provide a means for facilitating human interaction.

Law as an Instrument of Social Control and Law as a ...

Social parasitism is a pejorative that is leveled against a group or class which is considered to be detrimental to society. The term comes from the ancient Greek παράσιτος (parásitos), "one who lives at another's expense, person who eats at the table of another," used to label the social offender. (The term appeared in English in this sense, as a social label, in the 1530s; the ...
