Freedom: The Soul of Iran is its name and the author, Afshin Molavi is Iranian. I appreciate his passion for Iran, passionate enough to travel back to Iran and write a whole book about it, but can anything get anymore boring? He's a journalist...he needs to expose the conditions in Iran and the history of Iran!

The Soul of Iran | Iran thundered onto the world stage in 1979 with an Islamic revolution that shook the world. Today that revolution has gone astray, a popular democracy movement boldly challenges authority, and young Iranians are more interested in moving to America than in chanting "Death to America."
