Pallasmaa is the author/editor of over thirty books, including The Eyes of the Skin: Architecture and the Senses (Academy, 1995 and John Wiley & Sons, 2005), The Thinking Hand: Existential and Embodied Wisdom in Architecture (John Wiley & Sons, 2009) and The Embodied Image: Imagination and Imagery in Architecture (John Wiley & Sons, 2011).

The Eyes of the Skin: Architecture and the Senses, 3rd ...

The old saying is that you never know what someone else is going through or living until you've walked a mile in his shoes and frankly it's impossible. However, John Howard Griffin turned his skin black and tried to live as a black man for six weeks while travelling through the Deep South in 1959.

Black Like Me by John Howard Griffin - Goodreads

This third edition meets readers' desire for a further understanding of the context of Pallasmaa's thinking by providing a new essay by architectural author and educator Peter MacKeith. This text combines both a biographical portrait of Pallasmaa and an outline of his architectural thinking, its origins and its relationship to the wider context of Nordic and European thought, past and present.
