H. Kaelble, in International Encyclopedia of the Social & Behavioral Sciences, 2001. 1 General Questions. Social mobility was one of the important themes of social history during its beginnings in the 1960s and the 1970s. Historians explore social mobility for two reasons. First, they want to study the general question of the history of equality of social opportunities.

Social History Eric Evans. Social history in the early 21st century seems to be experiencing something of an identity crisis. This may seem surprising. During the second half of the 20th century it established a dominant position in research and an increasingly influential one in undergraduate teaching. Social history flourished on its eclecticism.

### Social History - Articles - Making History

The most famous definition of social history – always quoted, invariably criticised, and never fully understood – is that of G.M. Trevelyan, who began his English Social History by defining it as 'the history of the people with the politics left out.'

### What is Social History? | History Today

Social history, often called the new social history, is a field of history that looks at the lived experience of the past. In its "golden age" it was a major growth field in the 1960s and 1970s among scholars, and still is well represented in history departments in Britain, Canada, France, Germany, and the United States.

Francis Bacon - Francis Bacon - Thought and writings: Bacon appears as an unusually original thinker for several reasons. In the first place he was writing, in the early 17th century, in something of a philosophical vacuum so far as England was concerned. The last great English philosopher, William of Ockham, had died in 1347, two and a half centuries before the Advancement of Learning; the ...
